

# Player Registration

Hartley Wintney Junior Football Club

# Welcome

- Last season we introduced on-line registration for all players
- This makes the overall process much simpler – and cuts down on a lot of paperwork and data entry!
- Please do speak to your team manager if anything is unclear or doesn't appear to work....
- Online registration is done at the following web address: [www.webcollect.org.uk/hwjfc](http://www.webcollect.org.uk/hwjfc)

## Membership

The Club welcomes players from under 6 up until under 17.  
In the first year of using this webcollect site, everyone will need to register as a new member. Please use the relevant links below.  
Through this site we can collect all of the information we need from players and parents, and also collect payment.  
Please note that you will still need to separately provide a photograph of the player to the team manager. Please speak to your manager for details.

## Subscriptions

Existing members [Renew](#) > your subscriptions here.

This page shows the range of subscriptions available at Hartley Wintney Junior Football Club. Please add the relevant subscriptions to your basket. The price of each subscription varies to reflect factors such as the length of training sessions (older age groups train for 90 minutes) and the costs of referees (which are higher for the older age groups).

Membership runs for the full season, up until 31 May of the following year.

**Sibling Discount** End Date: 31st May Standard subscription -£50

Where a family has more than one playing member of Hartley Wintney Junior FC, they are entitled to a discount of £50 for each additional sibling. For example, a family with two members is entitled to a £50 discount, while a family with three members is entitled to a £100 discount.

# Thank you !

- We know this isn't the slickest website – but it will get easier season by season !
- All we need now (if not already provided) is a photo of each player – your manager may already have one so please check. This is easiest done by sending electronically as an email attachment (if only the app could do that too...).
